## Law360's 2022 IP Editorial Advisory Board

*Law360 (April 21, 2022, 4:09 PM EDT)* -- Law360 is pleased to announce the formation of its 2022 Intellectual Property Editorial Advisory Board.

The editorial advisory board provides feedback on Law360's coverage and expert insight on how best to shape future coverage.

The members of Law360's 2022 Intellectual Property Editorial Advisory Board are:

### **Cory C. Davis, BakerHostetler**

Cory Davis concentrates his practice on procuring and protecting IP rights, emphasizing patent preparation and prosecution, patent portfolio management and providing patent infringement and validity studies. A former engineer with Fortune 500 companies, Cory uses his real-world experience and legal expertise to counsel clients on their technological innovations.

### **Brian Dorn, Arthrex Inc.**

Brian R. Dorn, Ph.D. is a senior intellectual property counsel at Arthrex, a medical device and biologics company headquartered in Naples, Florida. He also teaches a biotechnology patent class at the University of Florida's Levin College of Law.

### **Tina Dorr, Cantor Colburn LLP**

Tina Dorr, Ph.D. is a Partner at Cantor Colburn and is the incoming co-chair of the Atlanta chapter of Chiefs in Intellectual Property, president-elect of the Georgia Asian Pacific American Bar Association and co-vice chair of the Leadership Development Committee of the Intellectual Property Owners Association.

### **Bart Eppenauer, Shook Hardy & Bacon LLP**

Shook Hardy & Bacon Seattle managing partner Bart Eppenauer is an intellectual property leader who served as Microsoft's chief patent counsel for more than a decade. He is a frequent author and speaker on IP issues, and is the creator of Cloud IPQ – Enhancing Your Cloud IP IQ.

### **Aaron Frankel, Kramer Levin Naftalis & Frankel LLP**

Aaron Frankel, a partner in Kramer Levin's IP group, represents clients in complex patent, trademark and trade secrets litigation. Frankel is an experienced trial lawyer with the ability to clearly explain complicated technology. He is the co-chair of Kramer Levin's Pro Bono Committee.

**Ching-Lee Fukuda, Sidley Austin LLP**

Ching-Lee Fukuda is the head of Sidley's IP practice in New York and a member of the firm's Global Life Sciences Leadership Council. With 24 years of experience, she has led significant victories in district courts, at the U.S. International Trade Commission, the Patent Trial and Appeal Board and the Federal Circuit, focusing on electronics, software and medtech/medical devices.

**Susan L. Heller, Greenberg Traurig LLP**

Co-managing shareholder of the firm's Orange County office, global co-chair of trademarks and brand management and global co-chair of the Women's Initiative, Susan Heller provides pivotal leadership at all levels. At the forefront of global strategic management and monetization of iconic brands, she is known for developing cutting-edge strategies in bet-the-brand, high-stakes challenges.

**Aaron S. Jacobs, Prince Lobel Tye LLP**

Aaron Jacobs has practiced patent litigation for more than 20 years in Silicon Valley and Boston. He has represented parties on both sides of the "v." in district courts across the country and the Federal Circuit.

**Omar Khan, WilmerHale**

Omar Khan is a partner in WilmerHale's IP litigation practice and an accomplished trial and appellate attorney with extensive experience representing life sciences and technology-focused clients in high-stakes matters. Khan's courtroom experience includes jury trials and PTAB proceedings, and he has also successfully argued cases in multiple courts of appeals.

**Christian E. Mammen, Womble Bond Dickinson**

Christian Mammen, D.Phil. is a Silicon Valley IP litigator and thought leader. He has practiced IP litigation in the Bay Area for 25 years and is Womble's head of IP litigation. Building on his Oxford doctorate in law, he speaks and writes frequently on artificial intelligence and IP issues.

**Pauline Pelletier, Sterne Kessler Goldstein & Fox PLLC**

Pauline M. Pelletier is a director in Sterne Kessler's trial and appellate practice group. She is experienced in litigating intellectual property disputes in federal court, before the ITC and in trials, interferences and reexaminations before the U.S. Patent and Trademark Office.

**Keyonn L. Pope, Riley Safer Holmes & Cancila LLP**

Keyonn Pope is a tech-savvy litigator and business-minded advisor. He has a deep technical background as an electrical engineer and a unique ability to explain complicated subjects clearly and persuasively, which contribute to his ability to achieve favorable results.

**Saurabh Vishnubhakat, Texas A&M University**

Saurabh Vishnubhakat is professor of law and engineering at Texas A&M University and a fellow of the Duke Law Center for Innovation Policy. He writes and teaches in IP and administrative law. He previously advised the USPTO's first two chief economists and was a faculty fellow at Duke University School of Law.

**Mark Whitaker, Morrison & Foerster LLP**

Mark Whitaker is a partner and co-chair of Morrison & Foerster's global IP litigation practice and cross-disciplinary intellectual property group. He has extensive experience navigating the nation's top patent litigation venues and regularly acts as lead counsel in matters involving semiconductors, photo/optical technologies, chemicals and database analytics.

**Nimalka Wickramasekera, Winston & Strawn LLP**

Nimalka Wickramasekera is co-chair of Winston & Strawn's intellectual property practice and an intellectual property litigator with more than 15 years of trial and counseling experience. She is the co-chair and co-founder of the LA chapter of ChIPs, a nonprofit focused on advancing women in technology, law and policy.
