

Directors Bodenstein, Durkin, Ellison, and Sterne Ranked in 2021 *IAM Strategy 300*

Washington, D.C. (August 31, 2021) – Sterne, Kessler, Goldstein & Fox is proud to announce the inclusion of four directors in the 2021 edition of *IAM Strategy 300: The World's Leading IP Strategists*. The editors of this annual guide note that selected individuals have “shown to possess world-class skills in the development and roll-out of strategies that maximise the value of patents, copyright, trademarks and other IP rights.”

The four ranked directors from Sterne Kessler named in this elite list are:

- [Matthew S. Bodenstein](#), director in the Biotechnology & Chemical Practice Group
- [Tracy-Gene G. Durkin](#), director and leader of the Mechanical & Design Practice Group
- [Eldora L. Ellison, Ph.D.](#), director in the Biotechnology & Chemical and Trial & Appellate Practice Groups and co-chair of the Patent Office Litigation Practice
- [Robert Greene Sterne](#), director in the Electronics Practice Group and co-chair of the Patent Office Litigation Practice

Sterne has been included in this prestigious list for over a decade while Durkin makes her third consecutive appearance. This year marks debut appearances for both Bodenstein and Ellison. View the full list of ranked attorneys [here](#).

Inclusion in the *IAM Strategy 300* is based on nominations from multiple professionals and experts in the intellectual property arena, as well as extensive research and vetting processes by *IAM*. The editors explain that honorees “have exceptional skill sets, as well as profound insights into the development, creation and management of IP value.” Read more about the methodology [here](#).
