**Washington, D.C.** (June 16, 2023) – Sterne, Kessler, Goldstein & Fox is delighted to announce that the firm has been named a "Top Workplace" in the Greater Washington, D.C. area by *The Washington Post*. This year marks the tenth anniversary of the "Top Workplace" list, and the firm has earned the distinction every year as just one of eight employers to do so.

Annually, 200 Washington-area employers are recognized as “Top Workplaces,” which is based on anonymous employee surveys administered by Energage, LLC. *The Post* notes that the company “measured several aspects of workplace culture, including alignment, execution, and connection.” Only 11 law firms are listed this year, with Sterne Kessler among the five law firms out of 70 employers in the midsize category.
